

DP STEELS

CABLE STREET
WOLVERHAMPTON
WEST MIDLANDS

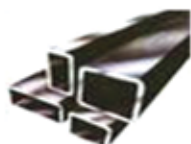

FOR THE ATTENTION OF THE STEEL BUYER

We are pleased to introduce our company as stockists of mild steel, **specialising in Hollow Sections.**

We operate from our warehouse in Wolverhampton, carrying 5,000 tonnes of mild steel. We pride ourselves on our service and professional approach on all levels of our operations.

HOLLOW SECTION

SQUARE 20x20x2mm to 500x500x12.5mm in 7.6/10.1/12.2m

RECTANGULAR 40x20x2mm to 500x300x16mm in 7.6/10.1/12.2m

CIRCULAR 21.3x2mm to 610x20mm in 7.6/10.1/12.2m

LASER REQUIREMENTS ? THEN TRY US !

We can now offer Laser Processing, with access to 3 laser machines. These are ideally suited for Hollow Sections in mild steel, stainless steel and alloys.

The precision of these lasers means that multiple operations such as drilling, sawing, milling and punching can be performed in one set up and provides a cost effective solution for most companies.

OUR RANGE:

Rounds - 6mm to 50mm in 6.1m

Universal Columns - 152x152x23kg to 203x203x46kg in 12.2/14m

Angles /Flats/Channels

Nominal Bore Tubes / Handrailing

Squares - 8mm to 40mm in 6.1

E.R.W./BS1387 Gas List Tubes
